# ABOUT COMPANY

*PT. Visual Solutions Indonesia is currently in the form of a corporate legal entity or PT domiciled in DKI Jakarta province with a scope of work throughout Indonesia. In running the company organization, we uphold professionalism and also comply with the laws and regulations that apply in Indonesia.*

*Our Company Extension is dedicated to providing optimal service with an orientation towards meeting client needs and satisfaction.*

# MISSION

## **Delivering High-Quality Experiences:**

*We are committed to delivering high-quality creative media content that meets and exceeds our audience's expectations.*

Create, direct and deliver successful work and results to all on behalf of clients. Our goal is simple to create an ideal environment where information can be effectively obtained and ensure that each client has a satisfied and unforgettable experience. This is all achieved thanks to hard work and excellence in every project that we carry out professionally.

# VISSION

To be the best solution for client companies in the problems of building cleanliness and maintenance to create a clean and comfortable work environment.

*The best quality for customers is our priority.*

# HOW WE WORK

*We believe that the success of a company depends not only on the products or services we offer, but also on how we run operations and interact with customers, partners and internal teams.*

## 01 Quality as Top Priority

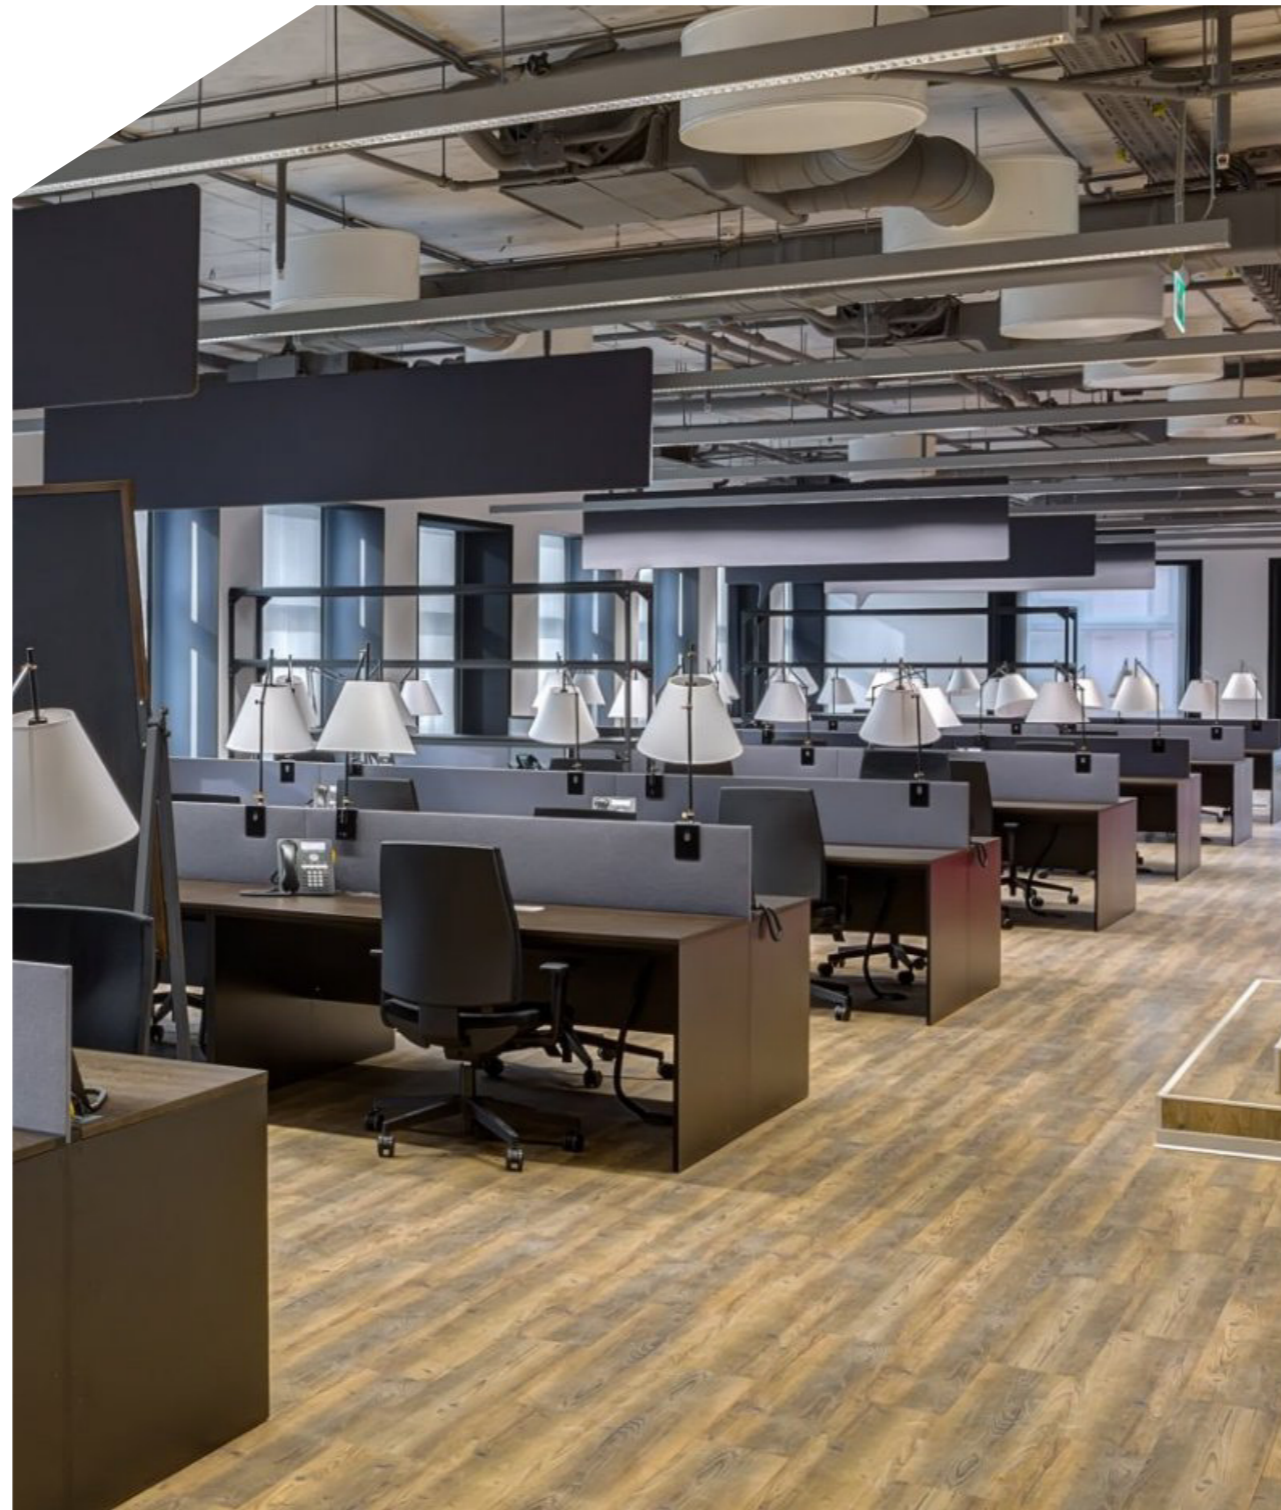

We place high quality standards on every product and service we produce.

## 02 Sustainable Innovation

We are committed to continuing to encourage innovation in all aspects of our business.

## 03 Customer Orientation

Customers are at the center of everything we do.  
Superior customer service is the key to our long-term success.

*By upholding these principles, we are confident that we can achieve our goals while building a strong foundation for long-term growth and sustainability.*

*Prioritizing the Best Quality for Customers is Our Main Principle.*

# WHY SHOULD YOU WORK WITH US?

*Our agency stands out for having a multidisciplinary team of experts. From graphic design, specialist creative to digital marketing, we have experts in every field working together to create comprehensive and effective solutions.*

We understand the importance of understanding each client's unique needs. Our customer-focused approach ensures that each project is adapted to suit the client's vision, values and business objectives.

*We understand that every project has unique challenges and needs. We are willing to adapt and respond quickly to changes, ensuring the sustainability and success of the project.*

03

## Wide Scope of Services:

By offering a wide range of creative services, from graphic design to marketing strategy, we become a single point of contact for all our clients' creative needs, simplifying the process and increasing efficiency.

01

## High Integrity and Work Ethics:

We uphold integrity and ethics in all aspects of business. We are committed to providing services that are transparent, honest and oriented to the best interests of clients.

02

## Continuous Innovation:

We are proud of our culture of innovation, constantly seeking new ideas. By staying at the forefront of the latest trends and technology, we are able to provide creative solutions that not only meet, but exceed client expectations.

*Our portfolio includes successful projects from various industries. From small companies to international brands, we have a track record that demonstrates our ability to deliver the best results.*
